We are pleased to announce that starting in January 2018 Mrs. Carol Lennon will be our 1st grade teacher. We are so thankful for God's provision and that our five 1st graders will have such a talented and experienced teacher. Below is a short bio Mrs. Lennon submitted to introduce herself to our community.

Carol Lennon

It is a God-given privilege and responsibility to have the opportunity of teaching these dear first graders. I graduated with a B.S. degree in Elementary Education from Bridgewater State College (University, now). My teaching experiences span 43 years and include preschool, 1st grade, 9 years with 2nd grade, 6 years homeschooling, and 13 years with 3rd grade.

My husband, Peter and I, have lived in our home in Bridgewater for over 40 years. We have a son whom tragically we lost this summer. We have been a part of the First Congregational Church here for 32 years and have been blessed with some true, lasting relationships with our fellow Christians.

I look forward to working closely with the parents of these children and with other teachers in the school to ensure an enjoyable and successful 1st grade experience for all the children.
